

Help Us Plan for the Future of Our Water Resources

Local agencies are developing groundwater sustainability plans to plan for the future of our groundwater resources. We need your input and ideas! Come to an upcoming public workshop to learn more from you local water agency.

Workshop details are as follows:

Santa Nella

Wednesday, May 22, 2019, 6:30 PM - 8:30 PM
Romero Elementary School MPR
13500 Luis Ave, Gustine, CA 95322

Food will be provided!

The first forty minutes of the workshop will consist of a bilingual informational presentation. At this workshop, we will discuss the present and future state of our groundwater resources and projects and actions to manage those resources. This workshop is open to people with all level of knowledge about water.

Spanish-language interpreters and materials will be available.
